

# Creating a legal frame for your art

## A strategic alliance for the art sector

Deep knowledge of the law relating to art, cultural property and the international art market offered by a leading full-service commercial law firm. This pioneering collaboration between boutique art law firm **ArtSecure** and the largest legal practice in Greece, **KG Law Firm**, aims to open new possibilities for the art world.

We provide assistance to international and domestic clients including galleries & auction houses, collectors & family offices, museums & foundations, artists & their estates, investors & financial institutions.

# Art is an experience not an object

### Theodore Rakintzis

KG Partner

T +30 210 8171521 · t.rakintzis@kglawfirm.gr

Kyriakides Georgopoulos Law Firm is a multi-practice business firm and the largest legal practice in Greece for over several decades. KG is highly regarded as the preferred firm of American and European law firms seeking Greek partners for cross-border legal expertise. A legacy of business values established over 85 years ago is the mainstay of our firm's distinguished success.
